

LENT AT CHRIST THE KING

We gather for worship during the season of Lent and join with Christians throughout the world on a journey into the wilderness to the cross to the empty tomb. And while Christ's suffering is clearly marked in ancient scripture texts, found along the Via Dolorosa in Old City Jerusalem, and rendered beautifully throughout art history, we are bold enough to notice and make connections with where similar suffering exists in our world, today. As we make our way through the Stations of the Cross this Lent, we will hear new readings and reflect on current world events, and we might see differently what it means to take up your cross and follow Christ to death, to new life.
