

**2022-23 Children & Youth Annual Waiver and Release of Liability**  
**Christ the King Lutheran Church, New Brighton, MN**

The purpose of this document is to serve as a waiver of liability for children and youth participants in the activities of Christ the King Lutheran Church, New Brighton, MN (CtK). This document shall serve as a standing agreement and covers a period beginning on the date of signature and continuing through August 31, 2023. This waiver remains in effect unless you provide written request to end this waiver. Doing so may result in your child(ren) being unable to participate in events until a new waiver is signed.

In consideration for permission to participate in youth activities hosted on the property owned or controlled by CtK or participation in any youth activities involving CtK that occur off of said property. I agree to indemnify, defend, and hold harmless CtK, and any of its employees, agents, members, or volunteers from any liability resulting from my child(ren)'s presence or my child's participation in any activity. I agree to release, discharge, and commit not to sue CtK, any of its employees, agents, members, volunteers, invitees or licensees for any loss or damage, or any claim as a result of any injury or loss of life due to any negligent act or omission by any party while my child is on the property owned or controlled by CtK; or participating in activities involving CtK, its employees, agents, members, or volunteers; or during transportation to or from any of these activities. This waiver does not preclude action against specific parties in events of willful criminal harm.

I accept full responsibility of any and all risks associated with my child(ren)'s attendance and participation in the activities discussed above. I consent to both first aid and emergency medical attention in the event of my child's injury or incapacitation and agree to release and hold harmless any party from any damages or liability resulting from the provision of first aid or emergency medical attention including movement and transportation to a medical care facility.

Certain events may include additional registrations and permissions in addition to, not in place of, this waiver.
